PROFESSIONAL EXPERIENCE

Eworx International Limited

Dec 2023 - Jun 2024

Website Developer

I have been working with eWorx International as a website developer, where I have been involved in developing a variety of versatile projects. My role has allowed me to hone my skills in both frontend and backend development, working with a diverse range of technologies to create innovative and user-friendly web solutions.

Brown Tech International
Frontend Developer Internee

March 2024 - May 2024

I completed an internship as a frontend developer at Brown Tech, where I gained valuable experience in crafting responsive and visually appealing user interfaces. During my time there, I collaborated closely with the design team to ensure seamless integration of visual elements.

Freelancer
Full Stack Developer

Dec 2023 - Present

I have been freelancing for over 7 months, delivering a range of projects to clients with a consistent track record of 100% client satisfaction. My expertise spans both frontend and backend development, allowing me to create comprehensive solutions tailored to each client's needs.
